### THE FOOTBALL SEASON

Battling a siege of flu and a lack of depth and speed, Coach Wells's first varsity football squad finished the season with an impressive six won, three lost record. Showing much improvement with their great desire and team spirit, the Chinks turned in many outstanding performances. Thomas and Kaebel showed great scoring ability; Karch, his effective playmaking and passing; and Weyhrich, O'Brien, and Tomlinson, their ability at line play.

We posted wins over East Peoria, Canton, Lincoln, Limestone, Streator, and Mattoon, losing only to the three exceptionally strong teams of Galesburg, Manual, and Woodruff. Our homecoming game with Central was cancelled because of the flu epidemic. After much speculation, it was decided that the game would not be played. In their last season of Big 12 competition, the Chinks posted a very commendable 3 and 1 record, losing the opportunity of a chance to tie for the championship because of the cancellation of the Central game.

Will Kaebel escape?

Will Tom Young break away for one of his twenty-six touchdowns?

#### **THE BASKETBALL SEASON**

The Pekin Chinks basketball team finished another fine season with a final 19-6 record. After beginning the season by winning three in a row, the Chinks lost to Danville, only to go on to win nine more in a row before losing to Springfield, Galesburg, and Quincy, the only consecutive losing streak the Chinks suffered all year. Quincy was the only team to beat the Chinks on their own floor during the regular season. Tall Morton turned the trick once again in the District, defeating Pekin 48 to 45.

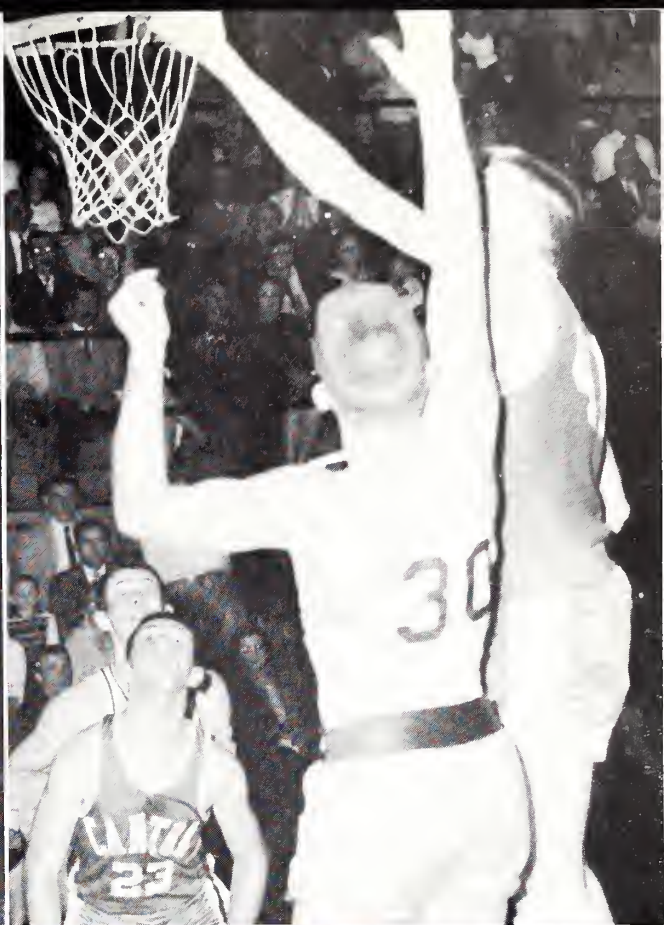

Tony Eichelberger, senior guard, was picked on the All-Greater-Peoria first team; and Glenn Weyhrich was chosen on the second team. The Bob Cain coached team placed first in the Illini to round out this very successful season.

## WRESTLING

The Custer-Stoudt coached wrestling team accumulated a very commendable 15-3 season's dual record, being defeated only by strong Rock Island, Thornton, and Reavis teams. Pekin placed first in the Illini, Big 12, District, and Sectional and ninth in the state.

Jerry "Otto" Graham placed first in all tournaments except the State Tournament, where he advanced to the finals before being defeated. Bill Rigney placed fourth. Other wrestlers who added to Pekin's total of 23 points were Chuck Fletcher, Don Millard, Dave Anderson, Ray DiDinato, Melvin Murphy, Bill Hanson, and Jerry Willoughby.

Coaches Custer and Stoudt should be complimented for producing another fine team. "Hats off" to them and their squad and especially to the four senior wrestlers — Charles Fletcher, Jerry Graham, Mel Murphy, and Jerry Willoughby — who have helped establish the fine Pekin record over the past four years.

# BASEBALL

Our baseball squad, with only four seniors, won the much-sought-for Illini title for the second straight year. Coach Anderson's fine team finished the season with a creditable 12-6 record. (Being defeated by only Spalding, Manual, Central, Canton, and Washington, we posted wins over East Peoria, Galesburg, Bloomington, Limestone, Manual, Woodruff, and Morton). After being defeated 8 to 7 in our first game with Manual, we rallied in our second game with them, winning 20 to 0.

Jim Westervelt was credited with two one-hit games, and hurler Tony Eichelberger was credited with one. Our fine hitting, coupled with outstanding defensive play, repeatedly carried the Chinks to victory. Murphy, Eichelberger, Cordts, and Tomlinson were strong factors at the plate. We will be expecting an outstanding record for the fine Anderson-coached team next season, with their potential and their desire to play top-notch baseball.

## CROSS COUNTRY

The cross-country team had a very successful year, losing only to speedy Limestone and Lincoln. After finishing a low twenty-third in their first tournament, the Invitational Cross Country Meet, they came back strong later in the season to finish third in the Illini Conference

and fourth in the District. Darrel Oltman and Ron Schott advanced to the state competition, with Oltman finishing a very fine eleventh individually.

The team won nine meets during the year, beating some of the best Peoria-Area schools.

## TRACK

**STATE QUALIFIERS:** GLENN WEYHRICH and BOB WOLFER.

The track team, although not having very much success in dual meets, had some very exciting highlights during the season. The two outstanding individual competitors were senior Bob Wolfer and junior Glenn Weyhrich. In the first meet of the season, which Pekin lost to Limestone, Wolfer won three events: The high hurdles, low hurdles, and broad jump. Weyhrich won two events—the shot put and the discus. The Chinks finished third in the Illini, seventh in the Big 12, and fifth in the District. Although their 1-5 record sounds unimpressive, the team still had a thrilling, exciting year.

The Frosh-Soph Team won in their division of the Greater Peoria Track Meet. Tom Tincher, John Walker, Tom Sheppard, and Harold Moore set a new record for the Frosh-Soph Relay. Sheppard also won the 220 yard run. Willie Weeks, a sophomore, placed third, in the mile run, and Steve Gamble pole vaulted 10' 2" in that event.

Coach Moss's "racket squad" turned in an outstanding record during their 1957 season, winning nine matches, losing two, and tying two, being defeated only by strong Decatur and Central teams. Finishing second in the District after winning this title for fifteen straight years, the Chink netters managed to send three players to Champaign for state competition. Tom Boatman advanced to the semi-finals before losing to the eventual champion, Marty Riessen of Hinsdale. (Riessen was ranked number two nationally in boys' competition). Dennis Lannert and Terry Troughton were also eliminated by the eventual winners in doubles competition, but not until they had won the first set 6-3, the only set the champions lost in the entire tournament. Realizing that all of the tennis lettermen will return for the '58 season, we expect an outstanding season.

The Pekin golf team, under the instruction of Coach Ed Tunnichliff, once again had a successful year on the links. One of the highlights of the season was the trimatch in which the Chinks, led by the 71 and 77 shooting of Mike Gianessi and Myron DeBoer, respectively, avenged an earlier loss of Central and tied unbeaten Champaign. The linksters also defeated Central in a playoff for second place in the District and were, therefore, competitors in the State Golf Tournament, finishing fourteenth.

Mike Gianessi, a sophomore, finished in sixth position individually. Another outstanding player this season was Keith Groen, a freshman, who finished fifth in the Illini and third in the Big 12. The Chinks won the Big 12 Conference, finishing ahead of previously unbeaten Champaign by one stroke. The young Chinks—one senior, one junior, two sophomores, and one freshman—finished the season with a very fine record, winning ten matches, while losing five and tying one.

# ELECTION DAY

For many years election time has been an exciting event at Pekin High. The activities which formerly covered a week are now concentrated in two days of campaigning and electioneering, culminating in the Friday night Victory Dance, at which the students acclaim their new leader.

The picture below shows some of the campaign posters of the 1957 election day and a few of the sixteen hundred voters assembled to hear the final speeches.

The new president, Tony Eichelberger, takes the oath from the last year's president, Jim Price.

Another famous first occurred at Pekin High four years ago—the first science fair. This display of science projects of students and exhibits supplied by area industries has grown annually and is unquestionably one of the outstanding fairs of its kind in the nation.

Above and on the preceding page you see pictures of the third annual science fair. Beginning in the cafeteria its first year, the growing display has moved into the Leeway and spread into the boys' gym.

# THE LADY IS A TRAMP

featured  
in  
1957  
SPRING  
FROLIC

Rita Griffin portrayed a gay, carefree, little tramp and Carol Dooley co-starred as the beautiful Princess of her dreams in the dance theme entitled "The Lady Is a Tramp," which was presented by the Dance Club in the 1957 Spring Frolic. The picturesque little tramp, dressed in rags and patches, was found sleeping in a rain barrel by an artist who persuaded her to let him paint her portrait. While posing for the artist, she fell in love with him and dreamed of a money tree that turned her rags into

riches and made it possible for her to become the lovely lady who could capture his heart. When the artist realized that she identified him with the romantic characters in her dreams, he made a hurried departure, leaving the unhappy little tramp with the unfinished portrait and a pocketful of dreams. A sad ending for the little ragamuffin—but after all, the lady IS a tramp!

*Young Ladies and Men*

I bow to you all. It is an Honor to attend the Greatest school ever in Pekin.

Many did not. I did not.

Your outlook in Life is the Greater for having attended.

You now have much, much Greater outlook before you.

You will see hence five years, ten years and more Problems of Life not now apparent.

You will attend the School of Life. As you go on through life you will learn so much more plus, plus, plus.

As you go on, on your own you will learn on you depends much of Happiness, much of Character, much of Spirituality.

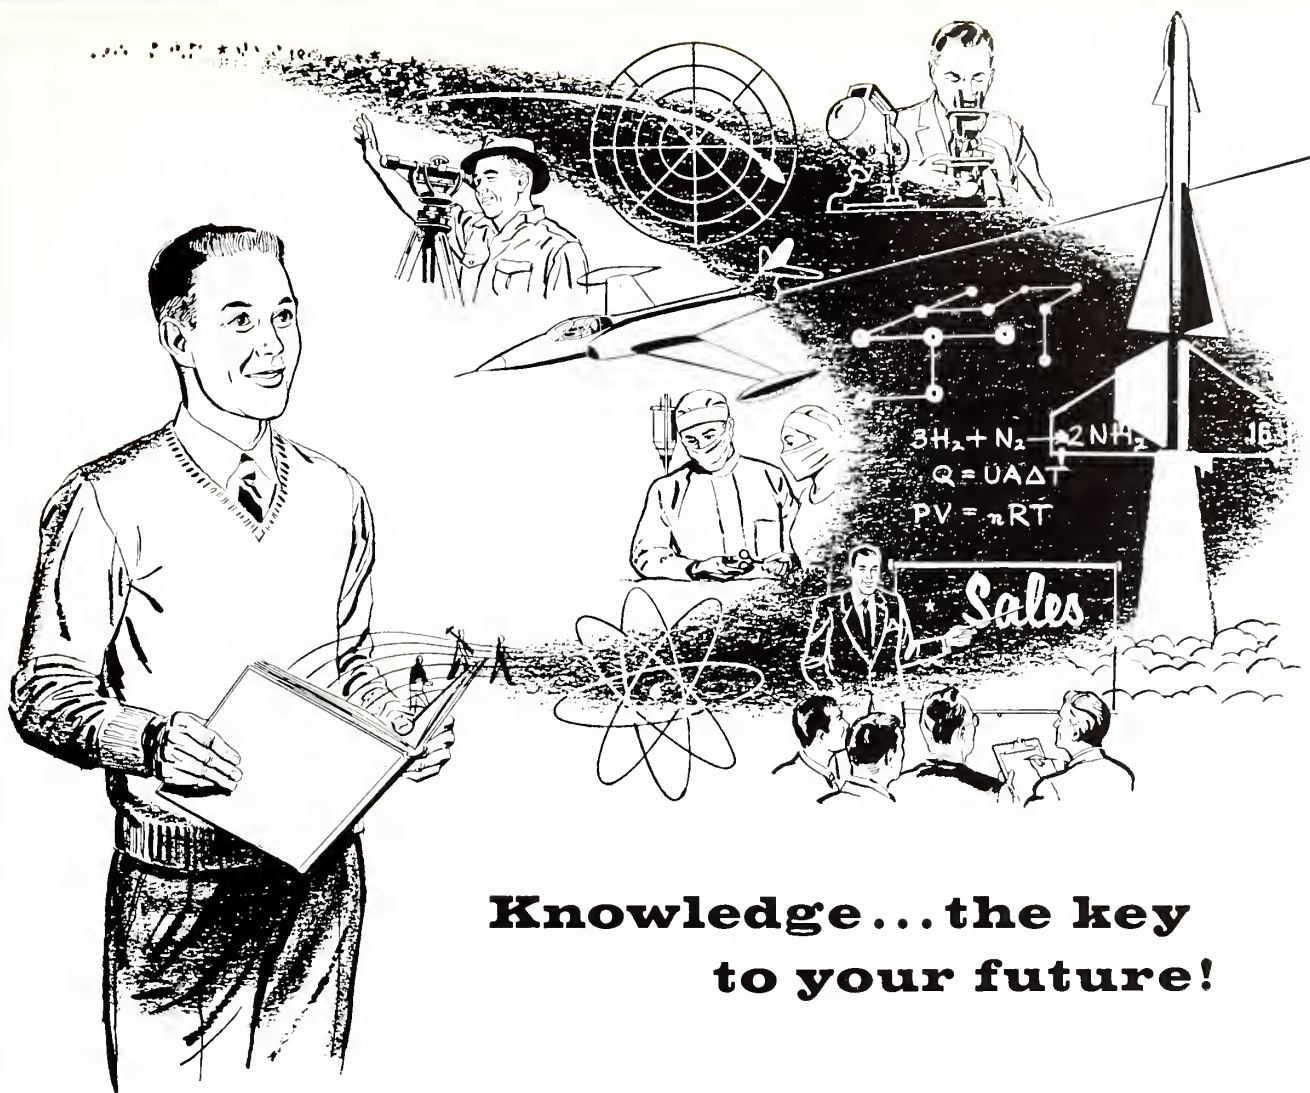

Some of these from good books but Life will be a Greater School with its Grandness.

Thankful we are not as Millions, close to a billion and a half, who have so much poverty, little of learning and Happiness.

Sincerely,

**E. L. Conklin**

## Knowledge...the key to your future!

Wise men know that knowledge is the key to the future. Knowledge is a search for truth... and truth is sometimes stranger than fiction. Happenings in the world today are more unusual and exciting than any mystery novel. The world is big... complex... strange... and yet it has a fascinating story to tell.

True adventures are waiting for you in the great books of learning. All the world's knowledge, wisdom, and experience are yours for the taking. All the wonders of our age are at your fingertips.

High school and college offer you this knowledge in courses like physics, history, chemistry, English, biology, and mathematics. In these courses you can better understand things such as sound and sight, atoms and anatomy, equations and electrons, government and grammar, or many other phenomena of nature and society.

Today... business and industry require an increasing knowledge of the world about us in jobs offered to young people. Tomorrow... even more education and training will be needed!

Such preparation today... can mean much to your success tomorrow.

*the man who knows... gets ahead!*
